Welcome

What a great start to this half term. The children have all been working very hard and we have already enjoyed some fun and exciting activities. Pudsey Bear visiting school was a highlight! More about that visit is below!

As always, if you have any worries or concerns or want to chat to us our door is always open.
Mrs Owens and Mrs Donovan

Chatsworth Class

This half term, year 3 and 4 have started their new writing topic. It is based on the book 'Escape from Pompeii' and is about two Roman children who leave Pompeii when the volcano erupts. The children have been able to use their knowledge of Roman times from last half terms history topic, which has helped them to understand the book.

The new Geography topic is volcanoes, which links to the writing topic in Chatsworth. The children can also use their knowledge of last half term's science topic on rocks.

In art, the children will be learning how to be architects and designing buildings.

Haddon Class

Year 5 and 6 have been very excited to start their new English topic which is all about ice cream! The timing of the English lesson just before lunch is a bit unfortunate as it leaves the whole class - including Mrs Donovan feeling very hungry!.

The children have been excited to start their new space topic in science. They enjoyed plotting the solar system outside on the playground.

The children spent time reflecting and remembering on Remembrance Day and they wrote some lovely thoughful remembrance poetry.
