Haddon class topic

Dear Parents

Our history and geography topic this half term is a local study focusing on the history of the railways in Bakewell. We will be looking at the history of the Monsal Trail and the impact the railways had on Bakewell.

I wondered if anyone might have a relative who has local knowledge or even first-hand experience of the railway line in Bakewell and might be willing to come in to talk to the children. Alternatively, any old photographs of the trail being used as a railway would be a great primary source to share with the children.
